

Lenovo Legion Tab

Unleash Mobile Gaming.

Don't let 10 minutes slip away; seize them with the Lenovo Legion Tab and enhance your gaming lifestyle. Check the latest gaming news at the kitchen table during breakfast. A five-minute battle in your favorite arena levels you up in between classes with unprecedented speed and responsiveness, thanks to the Qualcomm® Snapdragon® 8+ Gen 1, 4nm SOC processor, and LPDDR5X Memory for your gaming glory. Take it out of your bag and hear your streams as if you were playing them, with dual speakers. Sneak a one-player adventure session on the sofa and feel 144hz FPS with Legion ColdFront: Vapor cooling at your fingertips. Game on longer journeys as you gaze into the 8.8" QHD+ Legion PureSight Gaming display with a 6550mAh battery. Up to 45W USB Type-C Charging is fast and the innovative bypass charging directly powers your device keeping it cool during intense multiplayer online sessions. The Legion Tab is a truly immersive gaming escapade in your hands. Stay connected to your game, monitor your PC gaming sessions, and enhance your overall gaming experience with the Legion Tab - the go-to device for instant gaming, anytime, anywhere.

Recommended Lenovo Services

Legion Ultimate Support

Our gamer-centric 24/7 support is here to be your META - the Most Effective Tactic Available. Legion Ultimate Support is the extra boost you need to get 100% performance, 100% of the time.

Disclaimer

Legion Ultimate Support, which utilizes gamer-centric technicians, is currently only available in the United States, Canada, Japan, India, Taiwan, Hong Kong, Singapore, Philippines, Malaysia, Thailand, Vietnam and Korea.

Premium Care for Gaming and advanced technicians will be available for the rest of the world. Products and offers are subject to availability. Lenovo reserves the right to alter product offerings and specifications, at any time, without notice. Some markets may not have 24/7 support capability and will follow the best available SLAs.*

Lenovo CO₂ Offset Service

Lenovo CO₂ Offset Service gives you a simple and transparent way to offset your device's carbon emissions and make tangible contributions to the environment by supporting verified United Nations, CDM, Gold Standard®, and Climate Action Reserve climate action projects around the world.

Premium Care

Premium Care is the new standard for advanced technical support. With this front-of-the-queue and straight-to-the-experts support service, Lenovo provides you peace-of-mind and faster solutions, allowing you to get the best from your new Tablet device. No complicated navigation menu: whether by phone, email, or chat, a real person will answer your questions and solve it right away. And if your issue can't be solved remotely, we will schedule a repair via depot / carry-in support.

Accidental Damage Protection One

Drops, bumps, and spills can damage even the most durable and well-engineered tablet. Lenovo's Accidental Damage Protection One service covers accidents beyond the system warranty and protects your devices from non-warranty operational or structural failures incurred under normal operating conditions. It is perfect when unintentional damage isn't so common, permitting a single repair during the coverage period.
